Guide to the Ellis System of Actual Business Training and Practical Accounting Ellis Publishing Company 1897

Financial Accounting, Study Guide Jerry J. Weygandt 2010-01-12

Weygandt helps corporate managers see the relevance of accounting in their everyday lives. Challenging accounting concepts are introduced with examples that are familiar to them, which helps build motivation to learn the material. Accounting issues are also placed within the context of marketing, management, IT, and finance. The new Do It! feature reinforces the basics by providing quick-hitting examples of brief exercises. The chapters also incorporate the All About You (AAY) feature as well as the Accounting Across the Organization (AAO) boxes that highlight the impact of accounting concepts. With these features, corporate managers will learn the concepts and understand how to effectively apply them.

Accounting Principles, Study Guide Volume 2 Jerry J. Weygandt 1996-02-27 The most complete guide available to help professionals sharpen their accounting and business skills. This unique reference features a logically structured framework that details accounting practices step-by-step, as well as all the newest innovations in the field. Accounting Principles, Parts 1 and 2, Study Guide Jerry J. Weygandt 2004-03-09 * The Navigator is a learning system designed to guide students through each chapter and consists of a series of checklists tied to the chapter's study aids, text features, and study skills. * A Learning Styles Model is introduced in the preface and incorporated throughout the book to enable students with different learning approaches to better understand the material. * Feature Stories are brief stories of real Canadian companies that relate the chapter information to the real world

and are discussed further throughout the chapter. * Chapter Previews at the beginning of each chapter feature a paragraph linking the opening vignette to chapter material. A visual outline of the topics and subtopics of the chapter is also presented to provide students with a chapter roadmap. * The text has been thoroughly reviewed by an instructor of English as a Second Language in manuscript stage to ensure that Accounting Principles provides an unprecedented level of clarity and readability to all readers. * Accounting Equation Analyses appear in the margins next to key journal entries. They help your students understand the impact of accounting transactions and cash flow on the financial statements. * Stepped-out pedagogy breaks down complex topics making the material more manageable for students. Some examples of this pedagogy are: * Concepts for Review - Concepts learned in previous chapters that are essential in order to understand the topics about to be covered are listed at the start of each chapter with pages references. * Before You Go On - These "Review it and Do It" sections ensure that students understand what has just been covered before progressing further into the chapter.
