Home Inspector License Exam Prep Bruce Barker 2024-10-29 Performance Programs Company's Home Inspector License Exam Prep (HILEP) is a 240-page, state-of-the-art learning tool designed to prepare home inspector candidates for the National Home Inspector Examination® (NHIE®). HILEP is comprehensive in that it contains both key content review and testing practice. The text review specifically follows the National Home Inspector Examination® outline as promulgated by Examination Board of Professional Home Inspectors (EBPHI) testing officials. The study guide is divided into three main sections: Property and Building Inspection Analysis of Findings and Reporting Professional Responsibilities Following each major section is a section-end quiz to test your mastery of the subject material. This is further reinforced by explanations in the Answer Key to each section quiz. Exam candidates should also note that all content to our exam prep is tersely presented in bullet point lists. We make every effort to present only the essential material that you need to learn the test outline subjects. Home Inspector License Exam Prep challenges candidates to take and pass one 100-item practice test covering the entire NHIE test outline. Again, the practice test comes with an answer key and answer explanations. Between the practice quizzes and practice exams, there are

230 total questions with rationales in HILEP. Primary author Bruce Barker, is a leading authority in the home inspection field and is the author of numerous acclaimed books, including The NHIE Home Inspection Manual, Everybody's Building Code, Commentary on the ASHI Standard of Practice for Home Inspections, A Practical Guide to Evaluating Decks, and books in the Black & Decker series. As a certified inspector and former president of the American Society of Home Inspectors (ASHI), Bruce brings 35 years of inspection knowledge to Home Inspector License Exam Prep. Taken as a whole, if you apply yourself to the content and test questions in our exam prep resource, we are confident you will pass the NHIE® license examination. However, learning this wide range of material and preparing yourself to pass this test is your challenge. So, at this juncture, rise to the occasion, study hard, and leave little to chance. In the end, we wish you good luck and much success in your new career!

ICC Commercial Building Inspector Exam Prep (B2) Mike L Turner 2026-03-13 Are you ready to take your career in commercial building inspections to the next level? Do you want to pass the ICC Commercial Building Inspector (B2) Exam with confidence and stand out as a knowledgeable, competent inspector in the field? This comprehensive study guide is designed specifically for candidates preparing for the B2 exam, providing clear, practical, and exam-focused instruction to help you succeed. This all-in-one guide breaks down the International Building Code (IBC) into easily understandable sections, making it simple for beginners and experienced professionals alike to grasp key concepts. From code administration, permits, and plan approvals, to occupancy classifications, building heights, and area limitations, this guide provides a complete roadmap to the B2 exam. You'll gain in-depth knowledge of foundations, concrete and reinforcement, floor and wall construction, roof and ceiling systems, and fire protection measures, all explained in plain, practical language. One of the standout features of this study guide is the inclusion of 200 fully explained practice questions with multiple-choice answers, covering every topic on the B2 exam. Each question comes with detailed reasoning for the correct answer, helping you understand not just what the code requires, but why it matters in real-world inspections. This allows you to build confidence, improve recall, and sharpen your analytical skills in preparation for the exam and your professional career. Additionally, this guide emphasizes practical tips for navigating the IBC, including how to efficiently use tables, figures, and cross-references during both the exam and actual inspections. You'll learn strategies for quickly locating requirements, interpreting code language, and applying the IBC to everyday building scenarios. Special attention is given to high-risk areas such as fire-resistance-rated assemblies, means of egress, special structures, and temporary or mixed occupancies, ensuring that you are prepared for the full scope of commercial inspections. Whether you are a new inspector, a construction professional, or an experienced code official seeking to earn your ICC B2 certification, this guide is your ultimate resource for success. With its clear explanations, practical examples, and exam-focused practice, you'll be fully equipped to pass the B2 exam and excel in the field. Take the first step toward becoming a certified commercial building inspector master the code, understand inspections inside and out, and confidently pass the ICC B2 exam with this essential study guide.

The National Home Inspector Examination "How to Pass on Your First Try" Patrick J. Shepherd 2014-01-03 FastTrack™ Book: The National Home Inspector Exam, "How to Pass on Your First Try". Written by FastTrackBooks.org. Developed by licensed home inspectors, professional engineers, and expert contractors, provides over 400 Practice Problems and step by step solutions to help you prepare for the 2014 National Home Inspector Examination. The questions follow the identical content outline of the National Home Inspector Examination, which is published by the national board of home inspectors. The book provides specific test taking strategies, talks about tips and hints, and is separated into 6 practice exams. Most home inspection training schools provide you with multiple reference textbooks and tons of information and then leave it all up to you to try to study for the exam. Our book is the only resource that you will need to pass the exam! The Book is designed specially to teach you how to pass the home inspector exam. It does not waste time on theory or out dated problems- which will only confuse you more, but instead, only contains practical questions and ones that are most likely to appear on the actual exam based on the percentages which are published by board of home inspectors. Also included are updated code questions from 2014 Building code, the 2012 International Green Construction Code, and professional standards, and an entire section dedicated to Litigation Strategies "Minimizing Exposure and How not to get SUED". This resource is a must have for Contractors who want to branch into the Home Inspection industry or anyone wishing to pass the exam on their first try. The book will show you how to maximize your score. Our book is designed specially to teach you how to pass the exam. This book contains over 400 practice problems compiled into (6) Exams. The questions are very similar to those on the National Home Inspector Examination and a significant percentage of the questions were from previous exams. You have the option to pick which practice exams you want to work on, or decide which specific category of problem you want to review. Every question is categorized by topic order which gives you the option to work similar type problems or in random order. If you are considering studying for the home inspection exam, this book will teach you how to pass on your first try. Many experienced and knowledgeable contractors, who are eager to branch into the home inspection business, consistently make the common mistake of underestimating the Home Inspector Examination. While they may be very knowledgeable in different trades, they fail to realize that the exam is based on very specific standards and industry codes related to home inspection. This book will prepare you in all the relevant knowledge areas are covered in the exam. These questions keep appearing time and time again, learn them and pass the exam!
