**Managing Your Money** Globe Fearon 2002-02 Making Decisions is a

three-book program that teaches basic decision making and problem-

solving skills relevant to the lives of adult learners. The program is

designed for ABE learners reading at grade levels 3-6, and uses a basic,

motivating approach that encourages them to think through their

decisions. Innovative activities teach adult learners how to define

problems and how to determine solutions in daily life, social interactions,

money, and the workplace. The activities also provide learners with

ample opportunities to apply practical math, language arts, and reading

skills to a variety of compelling, real-life situations.

Roger Matloff 2013-02-11 Solid guidance for managers and trustees to

better position their nonprofits now and in the future The Great

Recession has left a paradigm shift for nonprofit leadership and their

board members as fiduciaries. It has changed how boards make, evaluate and document investment decisions, the risks they are willing to take and the way these details are communicated to donors. Nonprofit Investment and Development Solutions + Website will provide solid guidance for nonprofit leadership, staff and volunteers to better position their nonprofits to thrive now and in the future. This guide will provide:

Sophisticated investment and development principles that are easily understandable and adaptable Specific steps to take in order to avoid unnecessary investment risk and secure financial stability Solutions and techniques for capitalizing on opportunities created by funding shifts and evolving donor expectations Principles and practices of fiduciary responsibility, behavioral finance, socially responsible investing, strategic development planning and charity efficiency In addition, Nonprofit Investment and Development Solutions + Website offers a web site resource with a variety of online tools and templates to help readers implement key concepts discussed in this book.
