Nov 19, 2015 · A competency is broken down into specific skills or tasks. Next, each skill or task can be described in terms of what it looks like—specific behaviors at different levels of proficiency. Competency is an alternative version of competence. Many sources consider it to be a needless variant, since it means the same thing: a basic ability to do something. Apr 17, 2025 · A competency brings together knowledge, skills, abilities, and behaviors in a way that reflects how someone performs, adapts, and grows in a specific role. It's not theoretical; it's applied. Competency means "capability."
