Hands-on History: Ancient Civilizations Activities Sundem, Garth 2017-03-01 Making learning fun and interactive builds excitement for your social studies students. This book includes game-formatted activities for the study of Ancient Civilizations such as ancient Mesopotamia, Egypt, India, China, Greece, and Rome. These

hands-on activities are aligned to state and national standards and supports college and career readiness skills. The hands-on lessons foster engagement, teamwork, creativity, and critical thinking. In addition to history-based lessons, this resource includes grading rubrics and ideas for assessment. The games in Hands-on History Activities will help you take an active approach to teaching while inspiring your students to make their own explorations of history.

Rigorous Curriculum Design Larry Ainsworth 2011-04-16 The need for a cohesive and comprehensive curriculum that intentionally connects standards, instruction, and assessment has never been more pressing. For educators to meet the challenging learning needs of students they must have a clear road map to follow throughout the school year. Rigorous Curriculum Design presents a carefully sequenced, hands-on model that curriculum designers and educators in every school system

can follow to create a progression of units of study that keeps all areas tightly focused and connected.

related to each of eight different cultures with activities to help teach important fluency strategies. While learning about people and cultures from around the world, students make content-area connections, develop fluent and meaningful oral reading, and develop vocabulary and word decoding skills. Included with each text is a history connection, a vocabulary connection, and extension ideas. This resource is aligned to the interdisciplinary themes from the Partnership for 21st Century Skills and supports Common Core State Standards. 192pp.
