The Special Educator's Comprehensive Guide to 301 Diagnostic Tests Roger Pierangelo, Ph.D.

2018-03-02 This important resource is an update of the best-selling book The Special Educator's Resource Guide to 109 Diagnostic Tests. The greatly expanded second edition contains 301 new and enhanced tests, which are vital to understanding assessment in special education. Designed as an easy-to-use, hands-on resource, the book is filled with practical tools, information, and suggestions. Step-by-step, this practical guide explores the various stages of evaluation, interpretation, diagnosis, prescription, and remediation.

The Resource Room Barry E. McNamara 1989 There are few comprehensive textbooks available to special educators responsible for developing, implementing, and monitoring resource room programs.

McNamara's book fills this void by providing teachers and administrators with helpful, practical information

and by exploring the role of the resource room teacher as it relates to three major functions: assessment, instruction, and consultation. The information provided should also assist administrators and supervisors to evaluate their own existing resource room programs.
