The Complete Baseball Scorekeeping Handbook, Revised and Updated Edition Andres Wirkmaa 2015-09-02 With the aim of providing anyone interested in baseball scorekeeping everything

he or she needs to perform the task, this book contains a thorough and comprehensive manual on keeping a scorecard, together with a detailed analysis of each of the numerous, and often complex, official rules governing scorekeeping in baseball (many of which were revised or modified in 2007), as well as scorekeeping issues outside of MLB's rulebook. Myriad examples are given (many drawn from significant and well-known major league games throughout the history of baseball as well as a number of examples drawn from popular culture) of how baseball's scorekeeping rules are applied and dealt with in both routine situations as well as the most difficult and convoluted scenarios. Revised and updated to reflect recent changes to the MLB rulebook, this book is very readable and perfectly accessible to a broad audience.
