Developing and Sustaining a Research-supportive Curriculum Kerry K. Karukstis 2007 "This compendium of successful curricular and institutional practices to develop critical research skills emphasized the importance of the collective efforts of the undergraduate community to integrate research and education. By collecting and disseminating a variety of mechanisms that are effective means of creating a research-supportive undergraduate curriculum, the Council on Undergraduate Research aims to encourage faculty and institutions to continue to seek creative, useful, and significant ways to promote "learning through research"."--Publisher's description.

ERIC Educational Documents Index Educational Resources Information Center (U.S.) 1966 "A subject-author-institution index which provides titles and accession numbers to the document and report literature that was announced in the monthly issues of Resources in education" (earlier called Research in education).

Tests Richard C. Sweetland 1983 Descriptions of over 3000 tests in English, intended as a guide for psychologists, educators, and other personnel who need test information to meet their assessment needs. Topical arrangement under 3 main sections of psychology, education, and business. Each entry gives test name, associated personal names, intended age group, purpose, description, time, range, scoring, cost, and publisher. Indexes by test titles, authors, publishers, visually impaired tests, and scoring services.
