People who score high on their exams have a strong working vocabulary in the subject tested. They know how to decode the vocabulary of the subject and use this as a model for test success. People with a strong Insider's Language consistently: Perform better on their Exams Learn faster and retain more information Feel more confident in their courses Perform better in upper level courses Gain more satisfaction in learning The Customs Broker Vocabulary Workbook is different from traditional review books because it focuses on the exam's Insider's Language. It is an outstanding supplement to a traditional review program. It helps your preparation for the exam become easier and more efficient. The strategies, puzzles, and questions give you enough exposure to the

Insider Language to use it with confidence and make it part of your long-term memory. The Customs Broker Course and Exams Vocabulary Workbook is an awesome tool to use before a course of study as it will help you develop a strong working Insider's Language before you even begin your review. Learn the Secret to Success! After nearly 20 years of teaching Lewis Morris discovered a startling fact: Most students didn't struggle with the subject, they struggled with the language. It was never about brains or ability. His students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject there was a list of essential words, that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the "Insider's Words". When he applied these "Insider's Words" the results were incredible. His students began to learn with ease. U.S. Customs Broker License Examination Preparation Guide Textbook Law Office of Yuri Starikov, LLC 2021-06-20 This Textbook is a study guide that represents a concise compilation of laws and regulations on frequently tested subjects in the U.S. Customs Broker License Examination. Textbook breaks down archaic and hard to read laws into reader friendly format, with bold and italicized and underlined keywords and topics. Textbook does not cover every topic, but rather focuses on the most relevant ones. Prospective examinees are instructed to regularly review each subject in order to easily recall the appropriate regulation during the exam. To help exam takers succeed in passing the exam, Textbook comes with Web Supplements. Web Supplements bring to prospective examinees video lectures (which are

based on the Textbook's material), charts, exhibits, tables and flashcards designed to improve understanding of the tested topics. Concise text, charts, exhibits, tables, and flashcards alone are not enough to pass the examination. Goal of the Textbook is to equip you with necessary tools to successfully pass the U.S. Customs Broker License Examination. To that end, the Textbook integrates questions from previous exams by topics covered in individual chapters. We worked very hard to provide you with tools necessary to be successful. You, however, remain the ultimate guarantor of passing the U.S. Customs Broker Exam through hard work and dedicated studies.

Customs Broker Exam Study Guide and How to Start Your Own Customs Brokerage Business

Jon K. Sasaki 2010-07-21 How to Start Your Own Customs Brokerage Business was published in 2007 and is the only book of its kind-documenting the entire process required to start your own CHB business. The author, Jon

Sasaki, has now written a study guide to help those planning on taking the exam to study more efficiently and avoid spending hundreds of dollars on special courses they may not even find necessary. In this new and concise book he advises the exact same technique he used to pass the test on his first attempt despite not ever having worked in customs brokerage before the exam. Now, both references perfectly compliment each other as they are combined into one easy-to-read book. The combo book helps the student prioritize his or her studies by distinguishing between the important and not so important sections of the exam's testing material. The book also methodically provides step-by-step guidance through the process of setting up one's own customs brokerage operation. The book includes *valuable tips on hts classification *an explanatory breakdown of all sections of the 19 cfr that have appeared more than twice on the last 10 exams (thru Apr 2010 exam) *a comprehensive table that lists all
