**College Accounting** Sharon Niblock 1992  
**Weygandt's Managerial Accounting** Jerry J. Weygandt 2017-09-05 Weygandt's Managerial Accounting provides students with a clear introduction to fundamental managerial accounting concepts. This edition helps students get the most out of their accounting course by making practice simple. Designed for a one-semester, undergraduate Managerial Accounting course, the authors provide new opportunities for self-guided practice allowing students to check their knowledge of accounting concepts, skills, and problem solving techniques and receive personalized feedback at the question, learning objective, and course level. Newly streamlined learning objectives help students use their study time efficiently by creating clear

connections between the reading and video content, and the practice, homework, and assessment questions. Using metric units and companies with a more global feel, this new text is ideal for courses across the world.
