Abduction John E. Mack 1997-09-10 THE PROVOCATIVE BESTSELLER-
-THE MOST RIVETING ACCOUNT EVER PUBLISHED ON ALIEN
ABDUCTION PULITZER PRIZE-WINNER John E. Mack, M.D.
"Fascinating, suggestive, and even inspiring." --The New York Times
Book Review "A TRANSCENDENT, LANDMARK WORK...An
extraordinarily rich and strange mind-expanding book.--Boston Herald
When respected Harvard psychiatrist John E. Mack, M.D., first published
these astonishing results of four years of intensive research and
investigation into alien abduction, he unleashed a firestorm of
controversy. Now, in this paperback edition, Mack answers his critics,
both believers and skeptics. Mack focuses on thirteen ordinary
Americans (from nearly one hundred case studies) who tell dramatic,
inspiring, and remarkably similar stories: repeated visits from large-eyed
beings, mysterious machines, telepathy, invasive medical procedures,
hours missing from their lives, and startling messages about the future....
"Provocative...This book is a challenge to any reader. It raises questions
about how we live on this planet and with each other that the Western
mind and culture will not be able to ignore for too much longer. It also

raises questions about the nature of reality; of time, space, energy and
the true nature of humanness. It opens the door to a very serious
redefinition of life as we know it." --Los Angeles Times Book Review
"Strange and disturbing...Something is powering this rash of abduction
claims, making it worth the kind of serious investigation Mack presents
here.--San Francisco Chronicle "A groundbreaking study...Credible and
thought-provoking." --Publishers Weekly A FEATURED SELECTION OF
THE LITERARY GUILD

Into The Fringe Dr. Karla Turner PhD 2014-03-10 A True Story of Alien
Abduction - One of the most important, sincere and honest abduction
stories out there. Finally back in print. Following the 2013 reissue of
TAKEN, a book that has been out of print for several years and fetched
excessive amounts amongst collectors and those wishing to get their
hands on such a legendary piece of non-fiction, INTO THE FRINGE is
where it all began for Dr Karla Turner and her family. As with the reissue
of TAKEN, INTO THE FRINGE is an officially authorized republication
with the sole input of Karla Turner's widower Elton. Endorsed and
approved by Elton Turner with the highest respect for the importance of

the story; we excitedly bring INTO THE FRINGE to the 21st century. Into the Fringe documents the account of alien abduction and how Karla Turner, along with her family, uncovered the memories and physical evidence of their encounters with beings from outside of our own planet. "This brave and defiant refusal, in the name of humanity, to countenance suffering from an alien tyrant masquerading as a benefactor, is Karla Turner's final legacy." - John Chambers, UFO Magazine

Alien Abductions Justin Erickson 2007-08-01 Thousands of people around the world have claimed to have been abducted by aliens. Is there truth to these reports, or did the people make them up in order to get into the headlines? This book explores the history of alien abduction stories, some of the commonly reported themes, and whether or not the stories could be true.

Taken + Into the Fringe Karla Turner 2018-03-23 Available together for the first time in the Dr Karla Turner bundle! Into the Fringe: First published in 1992, INTO THE FRINGE was where it all began for Karla Turner and her family. From close-proximity sightings of UFOs to episodes of 'missing time' and the chilling accounts of night-time visitations, dramatic configurations of body scarring and numerous poltergeist-like activities experienced by different members of the family; this entirely non-fictional and thrilling account remains both fascinating, revealing and frightening. Taken: In this thrilling account Dr. Karla Turner investigates the chronicles of eight women who relayed their startling allegations of alien abduction experiences for her study. As well as detailed and concise coverage, Turner presents these cases with careful analysis after years of experience as both a highly respected researcher of the abduction phenomenon and an abductee herself. This is a work of fact, theory and science that supplements what many of us consider fantasy.

The Tujunga Canyon Contacts Ann Druffel 2008-07 THE TUJUNGA CANYON CONTACTS tells the true stories of five young women "abductees" who lived in and near Tujunga Canyon, northeast of Los Angeles, and who were all linked by more or less intimate personal relationships. The abductions and related events, which took place over a period of more than two decades, were first investigated by UFO researcher Ann Druffel for five full years, and later by Druffel and parapsychologist D. Scott Rogo together. Many of the abduction details first revealed in the Tujunga Canyon case have been confirmed in the hundreds of cases that followed it. First published during the peak of the 20th century's UFO abduction epidemic, THE TUJUNGA CANYON CONTACTS was only the second book written about so-called "alien abductions." This edition of the classic work contains the two new chapters prepared for the updated version of the book. During this updating of the story, Druffel first realized that abduction scenarios can be fended off by strong-willed, confident experiencers, since three of the five young women intuitively discovered, and used, various "resistance techniques" to fend off, and eventually end, the harrowing attacks.
