Her fated mate can't claim her. But she'll show him what they could have. Mitchell already watched one mate die. He won't do it again, so he refuses the bond. Only fate has other plans, and he can't help but fall for Dawn and watch her thrive in this new world. Dawn grew up in shadow but that only made her stronger. She will fight for her mate because she knows though he's the dominant wolf, she's strong enough for them both. There is a new enemy coming for them, one that wants the power the Talon Pack has amassed. They will stop at nothing to destroy them. But Mitchell and Dawn will fight for their people. And hopefully...each other. ~~~~~ Read what others are saying about New York Times bestselling author, Carrie

*Wicked Wolf: A Redwood Pack Novella* Carrie Ann Ryan 2015-04-13 From New York Times and USA Today bestselling author Carrie Ann Ryan comes a new story in her Redwood Pack series... The war between the Redwood Pack and the

Centrals is one of wolf legend. Gina Eaton lost both of her parents when a member of their Pack betrayed them. Adopted by the Alpha of the Pack as a child, Gina grew up within the royal family to become an enforcer and protector of her den. She's always known fate can be a tricky and deceitful entity, but when she finds the one man that could be her mate, she might throw caution to the wind and follow the path set out for her, rather than forging one of her own. Quinn Weston's mate walked out on him five years ago, severing their bond in the most brutal fashion. She not only left him a shattered shadow of himself, but their newborn son as well. Now, as the lieutenant of the Talon Pack's Alpha, he puts his whole being into two things: the safety of his Pack and his son. When the two Alphas put Gina and Quinn together to find a way to ensure their treaties remain strong, fate has a plan of its own. Neither knows what will come of the Pack's alliance, let alone one between the two of them. The past paved their

*Redwood Pack Box Set 3 (Books 5-6)* Carrie Ann Ryan 2017-09-03 The Redwood Pack continues with two novels filled with shifters, danger, and steamy romance. Hidden Destiny (Redwood Pack Book 5) North Jamenson has always held his wolf closer to the surface than others. He's the quiet one, the one no one really knows about yet he holds the darkest secret. He's watched his brothers find their mates and start families, and now it was his turn. He knows Lexi could be his and her son could be part of his family, but he doesn't know if he's ready to share the darkness

that's entwined with his soul. Lexi Anderson is a mother, a sister, a latent wolf, and a new member of the Redwood Pack. She's also holding secrets so close to her heart she's not even sure she knows the truth anymore. When North takes another step closer to wanting to cement their bond, Lexi must come to grips with her past and what it means for her future. The Centrals' war isn't over yet and Lexi's life is on the line as the paths they've chosen takes a drastic turn. Fighting Fate (Redwood Pack Book 6) With her blue-black hair and striking green eyes, Cailin Jamenson is the epitome of beauty and the exemplar of strength. She has fought the enforced boundaries of being the lone Jamenson daughter and Redwood Pack princess, but it is the potential future with the dark wolf in her path that threatens everything she thought she desired. Logan Anderson's own darkness provided the reasoning for his abandonment of his former Pack, the Talons. Now, newly accepted into the Redwood Pack, this jade-eyed

Fate decided they were mates. They decided something different. Or so they thought. Dhani has always been on the outside looking in when it comes to the Talon Pack, but she's not about to let fate and the moon goddess decide her path for her. When she takes Kameron as a mate, it will be her choice. Only their enemy takes the choice from them. Kameron will sacrifice everything for his Pack and family. Even if it means losing a chance with the woman he loves. As long as she survives, he knows it will be worth it. The enemy Alpha changed the rules. And if the Talons aren't careful, they could lose everything. Again. ~~~~~ Read what

2024-09-16 Jump into the world of fated mates and the darkness of fantasy paranormal romance with two romances from Aspen Pack series. Etched in Honor (Aspen Pack Book 1) I thought I'd lost my fated mate until he shows up years later. Only with no memory of me. Or us. As Beta of the Aspen Pack, I was forced to watch our former Alpha turn to dark magic and destroy the bonds of our people. I nearly died trying to save us, but I broke the biggest taboo: I told the

others that cat shifters existed and almost lost everything in return. Now we have a new Alpha, a new future, and a dangerous and mysterious enemy threatening our stable balance. And a new Tracker. The man who looks like my dead mate. Hunted in Darkness (Aspen Pack Book 2) I knew I wanted her the first time I saw her. Only problem? She can't be my mate. I'm a son of a traitor and former Alpha and I know it's the legacy people see. But I must be the Alpha of my Pack and protect them from the new threat to our world: Vampires. Valac and the others are still in the shadows, and we must find their lairs before we lose more than we already have. Only every time the enemy attacks, Skye puts herself in jeopardy. I'm the dominant wolf, but she's the one with the most to lose. She's the Pack princess. The daughter of legends. And I know she's not my mate. But I want her. I need her. And now I must convince my wolf. Or break the most sacred rules of the moon goddess. Again.

2016-03-08 The Redwood Pack has protected their own for centuries, but when a rival Pack of shifters summons a demon to alter the climate of the entire battle and their fates, the Redwoods will have to come together or make the greatest sacrifice of all. An Alpha's Path - A Redwood Pack Prequel Melanie wasn't prepared to fall for her blind date, but when the gorgeous, green-eyed man claims she's his mate and says that he's a wolf shifter, she thinks she's gone off the deep end. She's analytical by nature, but it might just be something more intangible—the paranormal—that changes her life. Kade is the Heir of the Redwood Pack and eldest son of the Alpha. When he sees Melanie for the first time, he knows she's it for him. However, not only does he have to convince her that she's his, he

also has to deal with an unwelcome rival that no one was prepared for. A Taste for a Mate - Redwood Pack Book 1 When Beta of the Redwood Pack, Jasper, finally takes a step forward to claim the one woman who could be his, he isn't prepared for the Centrals to take notice. Now he must fight to protect her, as well as show her that wolves can be gentle in a world of teeth and claws. Jasper and Willow are drawn together despite everything that works against them, but it's Willow who must show the world who she really is and save them both. Trinity Bound - Redwood Pack Book 2 Reed is the only son of the Alpha without purpose, but when he sacrifices himself to save his brother's mate, he'll find more than he bargained for. Hannah is an earth witch and knows how to protect herself from danger, but she might not know how to do the same for her heart when she meets two men who could be hers. Josh knew the things that went bump in the night were real, but he wasn't prepared for the way a wolf and a witch could

lay claim to his heart, as well as his soul. The Centrals are ready to take the next step in their war against the Redwoods, and it will take the three of them—together—to not only save their people but also trust themselves. ~~~~~
