1996

Case Management Suzanne K. Powell 2000 The Second Edition of this comprehensive "how to" text has been completely revised and updated. This text outlines the basics of case management and illustrates some of the pitfalls encountered in the field of case management. The book provides information on the new Case Management Standards, supplies standard definitions and guidelines of case management

for the practicing case manager, and presents information on caring for clients in a wide variety of health care settings. New to this edition--chapters focusing on Quality Reviews and Risk Management with a strong emphasis on Continuous Quality Improvement (CQI), ethical and legal issues, and various case studies.

The Case Manager's Handbook Catherine M. Mullahy 2010-10-25 Written by renowned author Catherine Mullahy, *The Case Manager's Handbook, Fourth Edition* is the ultimate how-to guide for Case Managers. It is designed to define good case management, examine the case management process, and present practical procedural information. The Fourth Edition has been completely revised and updated with new references and pertinent information. This book

is an excellent daily reference or can be used as a training guide for new case managers, or a teaching tool for client groups. Accompanied by a CD-ROM and a FREE Student Study Guide is available online.
