TRUTH AT TWILIGHT OLUBOWALE JOHNSON 2014 Mother Nature staged the unforeseen circumstance that brought them together. As the gods would have their ways he rescued her from her recluse and she saved him from the incapacity lodged beneath his torso. When they were settling down to live happily ever after, reality crept into them as it looked she was battered by his loved ones and he was betrayed by the one he most esteemed. At twilight truth eventually matured: the very hand that scratched his back when it itched stabbed him in the belly. Wedged in the thin line between life and death, his life of love and tragic, betrayal and trust reeled before him in a twinkle of an eye.

Chariots and Other Wheeled Vehicles in Iron Age Greece J. H. Crowel 1992 This study presents evidence for transport by wheeled vehicle in Greece during the Iron Age - largely the Proto-Geometric, Geometric, Orientalising, Archaic and Classical periods (c.1050-330 BC). Sources of information are extensive, with representations from vase paintings, stone and bronze sculpture, and textual sources, such as Homer and inscriptions. Information from archaeological remains is however limited. Crowel begins by discussing the evidence for roads and draught animals, and then gives a detailed account of chariots, other vehicles, and the history of wheeled vehicles in Iron Age Greece.

The only way J.J. can land her dream job is to keep her wild side buried and her reputation clean. But when she finds herself in another town, one without prying eyes, she allows herself one fantasy-filled night with her best friend's bad boy brother. Professional bull rider Colt McCade is grounded for the summer with an injury. After their sizzling night together, he finds himself wanting to pick up where he and the prim and not-so-proper Ms. Justice left off. But the closer he gets, the more he sees that his fast-and-loose reputation could cost her the job of her dreams.
