300 Timely Fish Recipes ... Lucille Shearwood 1943

Best Recipes of the Maritime Provinces 2012-09-25 Maritime cooking starts with great local produce--lobster, scallops, oysters, blueberries, apples, cranberries, maple syrup, and more. There are treasured traditional dishes--hodge podge, baked beans, gingerbread, blueberry grunt--as well as the simple but delicious lobster boil. Leading chefs like Craig Flinn of Halifax's Chives restaurant, Michael Howell of The Tempest in Wolfville, and many others have come up with wonderful new ways of cooking with fresh, local ingredients. Best Recipes of the Maritime Provinces brings the traditional and the contemporary together in one great collection. During her many years as Canadian Living magazine's food editor, Elizabeth Baird was a great fan of Maritime cooking. She has visited every corner of the region to research and write about great local producers and cooks and their recipes. To prepare this collection, she started with well over 1,000 recipes published in cookbooks over the past three decades. From those, she has selected 400+ recipes by over fifty of the region's leading chefs, including Elaine Elliot and Virginia Lee, whose bestselling Maritime Flavours has sold more than 30,000 copies. Also included are tasty recipes from healthy eating champions Maureen Tilley and Sandra Nowlan. This is the book that every Maritime cook will want--and that visitors will take home so they can explore the region's rich culinary traditions.

Cooking with Seaweeds 101+ Ways Marcus Harrison 2015-10-13 For a limited time only - A Special Early-Bird launch discount price. For many people the nearest they get to seaweed as a food is the crispy fried side-dish served in Chinese eateries. However, that menu item is usually made from fried green cabbage or kale, and is about as far removed from the true vegetables of the sea and sea life as one could possibly get. Cooking with Seaweed is a cookery book designed for anyone wanting to explore the world of edible seaweeds - mainly in northern temperate Europe. Over one hundred recipes and ways of preparing edible seaweed are covered; ranging from the inclusion of seaweed in soups and salads, to meat dishes and breads.
