New England Globe Pequot Press 1997-12 New England is a place for all seasons, whether you are touring, swimming, sailing, hiking or wandering in summer, enjoying the foliage in autumn, cross-country or downhill skiing in

winter, or delighting in the beauty of a New England spring. The Traveler's New England Companion offers a native's tour - and a native's understanding - of this special and exciting place. Lee Daley has spent many years traveling all corners of New England's quiet countryside and busy cities, from the northern tip of Maine to the White and Green Mountains of New Hampshire and Vermont, through the Berkshires of Massachusetts to the southern coast of Connecticut. Her articles and columns on travel, food and wine appear in major American magazines and newspapers. Now a resident of Marin County, California, she returns to New England each summer to revisit her Yankee roots and maintain her Boston accent.
