Keep You Close Karen Cleveland 2019-05-28 A woman must confront her sense of right and wrong when the one person she loves most is accused of an unimaginable crime. From the New York Times bestselling author of *Need to Know*. . . . A strange sensation runs through me, a feeling that I don't know this person in front of me, even though he matters more to me than anyone ever has. Stephanie Maddox works her dream job policing power and exposing corruption within the FBI. Getting here has taken her nearly two decades of hard work, laser focus, and personal sacrifices—the most important, she fears, being a close relationship with her teenage son, Zachary. A single parent, Steph's missed a lot of school events, birthdays, and vacations with her boy—but the truth is, she would move heaven and earth for him, including protecting him from an explosive secret in her past. It just never occurred to her that Zachary would keep secrets of his own. One day while straightening her son's room, Steph is shaken to discover a gun hidden in his closet. A loaded gun. Then comes a knock at her front door—a colleague on the domestic terrorism squad, who utters three devastating words: "It's about Zachary." So begins a compulsively readable thriller of deception and betrayal, as Stephanie fights to clear her son's name, only to expose a shadowy conspiracy that threatens to destroy them both—and bring a country to its knees.

Packed with shocking twists and intense family drama, *Keep You Close* is an electrifying exploration of the shattering consequences of the love that binds—and sometimes blinds—a mother and her child.

Betrayal of Justice Mark M. Bello 2019-11-18 Zachary Blake returns. And who stands between his client and justice? **THE PRESIDENT OF THE UNITED STATES** In this second heart-stopping installment of the Zachary Blake Legal Thriller Series, Zack is fresh off his epic legal battle with the church's clandestine evil forces in *Betrayal of Faith*. If you enjoyed the political angst of *All the President's Men* or the realistic courtroom scenes of *The Verdict*, you will love this political-legal action thriller, where super trial lawyer Zack Blake takes on new, even more, powerful foes: The New President—Hero of bigots and white supremacists everywhere—he promises to rid America of its "Muslim scourge" and "Make America Pure Again." The White Nationalist—Anti-Muslim, white supremacist bigot who plans an explosive event to honor his 'exalted new leader.' The Client—Arya Khan, a young Muslim-American woman falsely accused of murdering the evil bigot who firebombed her

neighborhood mosque. In a divided America, Arya becomes the centerpiece of the new president's bigoted promise to his base. Can Blake defeat the power of the presidency and prove his young client's innocence? Scroll and hit the 'buy' button and grab this exciting, politically charged second installment of the Zachary Blake Legal Thriller series right now! What readers are saying about *Betrayal of Justice*: ***** "Great Second Novel of the Zachary Blake Legal Thriller Series." ***** "Fantastic as Always! Bello Scores Again!" ***** "Great Political Fiction." ***** "As Pertinent as the Morning News."

[Routledge Handbook of Health and Media](#) Lester D. Friedman 2022-08-30 The Routledge Handbook of Health and Media provides an extensive review and exploration of the myriad ways that health and media function as a symbiotic partnership that profoundly influences contemporary societies. A unique and significant volume in an expanding pedagogical field, this diverse collection of international, original, and interdisciplinary essays goes beyond issues of representation to engage in scholarly conversations about the web of networks that inextricably bind media and health to each other. Divided into sections on film, television, animation, photography, comics, advertising, social media, and print journalism, each chapter begins with a concrete text or texts, using it to raise more general and more theoretical issues about the medium in question. As such, this Handbook defines, expands, and illuminates the role that the humanities and arts play in the education and practice of healthcare professionals and in our understanding of

health, illness, and disability. The Routledge Handbook of Health and Media is an invaluable reference for academics, students and health professionals engaged with cultural issues in media and medicine, popular representations of disease and disability, and the patient/professional health care encounter.
