

Contents List Of Report Card

CONTENT definition: Usually contents. See examples of content used in a sentence. The words content and contents are often used interchangeably, but they have distinct differences in usage. Content refers to the ideas or subject matter contained within something, such as a book, ... The distinction is rather subtle; if you consider the contents of a document to be separate pieces of information, you should use "contents" (which is usually the case with a letter). Contents are the chapters, subjects, or articles within a written work. You might need to scroll through a list of the entire contents of your computer's hard drive if you're searching for a missing document. Definition of content noun in Oxford Advanced American Dictionary.
