NEW YORK STATE PUBLIC EXAM PREP 2026 - 2027 EDITION MICHAEL S JORDAN 2026-05-04 The Only Study Guide You Need to Pass the New York Notary Public Exam — On Your Very First Attempt. Most people who fail this exam do not fail because the law is too hard. They fail because they studied the wrong things, in the wrong order, without enough practice. This book fixes all of that. New York Notary Public Exam Prep 2026–2027 is a comprehensive, full-color study guide written specifically for the New York State written examination — the 40-question, 60-minute test administered by the New York Department of State. Every page, every table, every callout box, and every question in this book is built around one goal: getting you to 28 correct answers and earning your commission. OVER 1,000 PRACTICE QUESTIONS — More than any other New York notary prep book on the market. Each of the 10 chapters contains 100 practice questions, every one with four answer choices, the correct answer clearly identified, and a full written explanation so you learn from every question — not just the ones you missed. A COMPLETE FULL-LENGTH PRACTICE EXAM — Chapter 10 gives you a timed 40-question practice exam formatted exactly like the real New York notary examination. Follow the timed instructions, score yourself, and use the detailed answer key to identify exactly where you need more review before exam day. FULL COLOR THROUGHOUT — Color-coded callout boxes in four distinct styles (Key Terms, Exam Alerts, Tips, and Warnings), vivid comparison tables, step-by-step procedure diagrams, and professionally designed chapter layouts make even the most complex legal rules easy to absorb and impossible to forget. This is not a black-and-white photocopied handout. This is a premium, full-color study experience. PLAIN ENGLISH FROM FIRST PAGE TO LAST — Every legal term is defined the moment it appears. No jargon without an immediate plain-language explanation. Sentences average under 25 words. Whether you have a legal background or none at all, you will understand every page. COVERS EVERY TOPIC THE EXAM TESTS — Licensing requirements and qualifications, acknowledgments and their five required elements, jurats and oaths, affirmations, notarial misconduct and prohibited acts, unauthorized practice of law, fee rules, legal documents and the notary's role, electronic and remote online notarization under New York's current RON law, and New York real estate closings. Nothing is left out. THREE FLEXIBLE STUDY PLANS — A 21-day recommended plan, a 10-day accelerated plan, and a 5-day intensive schedule. Whatever your timeline, this book has a path that fits it. STRATEGIC EXAM GUIDANCE — A prohibited-acts checklist to apply to every scenario question, the impartiality test that eliminates wrong answers in seconds, exam-day preparation strategy, and a complete quick-reference glossary of every key term you need to know. BUILT ON CURRENT NEW YORK LAW — Every chapter is grounded in the New York Executive Law (Article 6, Sections 130 through 138d), the Real Property Law, the General Obligations Law, and New York's permanent RON framework enacted in 2023. This is not a recycled generic notary guide. It is written specifically for the New York exam, reflecting the law and procedures in effect for 2026 and 2027. After reading this book you will know exactly which notarial act applies to every document you encounter. You will recognize every prohibited act the moment it appears in a scenario question. You will understand the difference between an acknowledgment and a jurat cold. You will know the RON rules, the fee rules, the misconduct rules, and the real estate recording rules without hesitation. You will have answered over 1,000 practice questions and completed a full simulated exam before you ever walk into the testing room. That is not just preparation. That is a decisive, exam-day advantage. Your New York Notary Public commission is one exam away. The candidates who pass are the ones who prepared. Get this book, follow the study plan, work through every practice question, and walk into that testing room ready. Your commission is waiting. Scroll up and get your copy today.
