The Daily Trading Coach Brett N. Steenbarger
2009-03-16 Praise for THE DAILY TRADING COACH "A great book! Simply written, motivational with unique content that leads any trader, novice or experienced, along the path of self-coaching. This is by far Dr. Steenbarger's best book and a must-have addition to any trader's bookshelf. I'll certainly be recommending it to all my friends." Ray Barros CEO, Ray Barros Trading Group "Dr. Steenbarger has been helping traders help themselves for many years. Simply put, this book is a must-read for anyone who desires to achieve great success in the market." Charles E. Kirk The Kirk Report "'Dr. Brett', as he is affectionately known by his blog readers, has assembled a practical guide to self coaching in this excellent book. The strategies he outlines are further enhanced with numerous resources and exercises for the reader to refer to and keep the principles fresh. I enthusiastically encourage anyone interested in bettering their trading and investing to read this book and keep it on their desk as a constant source of learning." Brian Shannon, www.alphatrends.net author of *Technical Analysis Using Multiple Timeframes* "Dr. Brett has distilled his years of experience, as both a trader and a psychologist/coach, into the 101 practical lessons found in *The Daily Trading Coach*. Those lessons provide effective strategies for coping with the stumbling blocks that traders often face. This book should be a cornerstone of any serious trader's library." Michael Seneadza equities trader and blogger at TraderMike.net

[Why Blog?](#) Sarah Pedersen 2010-06-23 This book focuses on the British blogosphere, comparing British bloggers to the more researched US. Motivations covered include the desire to connect with others online, the need to express opinions or blow off steam, or to share experiences, and a growing financial motivation in the blogosphere.

[The Complete Trading Course](#) Corey Rosenbloom 2011-01-11 A practical guide covering everything the serious trader needs to know While a variety of approaches can be used to analyze financial market behavior and identify potential trading/investing opportunities, no approach is completely accurate. The challenge for traders is to find a method that they feel comfortable with and are able to implement consistently, through the normal ups and downs of trading. The *Trading Course* provides you with a detailed description of the methods used to analyze markets, spot profitable trading opportunities, and properly execute trades. Page by page, this book references different trading methodologies, but focuses specifically on applying them when attempting to identify good

trades. Discusses the principles of price behavior, trends, trade set ups, trade execution, and intermarket relationships Details different trading tools and techniques, including Japanese Candlesticks, Elliott Wave, Dow Theory, momentum indicators, and much more If you want to become a successful trader, you have to be prepared. This book will show you what it takes to make it in this field and how you can excel without getting overwhelmed.
