180 Days™: Problem Solving for

Kindergarten Jessica Hathaway 2016-10-03

180 Days™: Problem Solving is a fun and effective daily practice workbook designed to help students improve critical-thinking and reasoning skills. This easy-to-use kindergarten workbook is great for at-home learning or in the classroom. The engaging standards-based activities cover grade-level skills with easy to follow instructions and an answer key to quickly assess student understanding. Students will focus on one skill each week to learn the problem-solving process: think, plan, solve, and explain. Watch as students build problem solving skills with these quick learning activities. Parents appreciate the teacher-approved activity books that keep their child engaged and learning. Great for homeschooling, to reinforce learning at school, or prevent learning loss over summer. Teachers rely on the daily practice workbooks to save them valuable time. The ready to implement activities are perfect for daily morning review or homework. The activities can also be used for intervention skill building to address learning gaps.
