California Driver's Permit Practice Test Bryan Holloway 2021-10-22 Preparing to take the California written exam to get your driver's permit or license? Test your knowledge with this full-length DMV practice test. This practice test contains 46 questions, just like the real DMV written test. You must answer 38 questions correctly in order to pass. All of the questions in this practice test are based on the most recent version of the California DMV Driver's Handbook. Our questions are up to date, and specific to California (unlike many other generic DMV practice test books out there that contain basic "rules of the road" type questions that are NOT commonly tested on the exam.) Based on our research, these are the topics that are MOST COMMONLY TESTED on the DMV permit exam. We've also included detailed explanations and images to help you understand each topic fully.

again. Even if you've read through the DMV handbook over and over, you might miss a "redundant" question where all of the answers look like they could be correct. And missing just one question is enough to invalidate your entire driver's license application. But there's a simple and easy way to save yourself the embarrassment of failing your driver's license test. With the right study guide, you'll be prepared for every question you come across on the test so you can pass with flying colors. In this California Driver's Practice Tests Course, you will discover: A comprehensive guide to applying for, taking, and passing the California DMV written exam Over 700 questions and answers to prepare you for the most recent version of the written test Detailed explanations of each answer to help you get a perfect score Over 9 different chapters that lay out the basics of each section on the exam - plus 2 BONUS cheat sheets The biggest mistake most people make when prepping for their tests, and how you

can avoid the same fate 56 tips and tricks to get you ready for both the written exam and the road test Studying hacks to make sure you ace every question on the test, even if you don't have enough time to practice The 12 questions most test takers get wrong - answer these the right way if you don't want to fail And much more! Don't waste hundreds or even thousands of dollars on driver's ed courses that barely even help you with the written portion of your driver's license test. This California Driver's Practice Tests Course shows you everything you need to know to pass your exam on the first attempt... and for only a small fraction of what it costs to hire an instructor. Regardless of your driving experience, this all-in-one guide will boost your test-taking confidence and have you cruising around California in no time.
