All about the ECERS-R Debby Cryer 2003 This resource provides step by step instruction on how to design a quality day care environment. It should be used side by side with the ECERS-R, the scale used to develop and quantify quality standards in Canada, the USA, and abroad. It includes the How, What and Why for Each indicator, seven sub-scale items, step-by-step instructions, and over 700 colour photos.
