Victoria Fromkin 2018-01-01

AN INTRODUCTION TO LANGUAGE, 11th Edition, offers an up-to-date look at language studies and linguistics in today's world. This product is fresh and modern, and includes new developments in linguistics and related fields that strengthen its appeal to a wider audience. At the same time, it maintains the acclaimed light, friendly, readable style and the breadth of coverage that have made it a perennial best seller. The authors examine grammatical subjects (e.g., morphology, syntax, semantics, phonetics, phonology), childhood language development and adult secondary language acquisition, and the tremendous leap in knowledge achieved in neurolinguistics. Important Notice: Media content referenced within the

product description or the product text may not be available in the ebook version.
