

Another Word For Example In Essay

You use another when you want to emphasize that an additional thing or person is different from one that already exists. I think he's just going to deal with this problem another day. Possible Duplicate: "My another account" vs. "my other account" Sometime it's vague for me when to use other vs another. For example, You need to buy other book You need to buy another book. ... One more, in addition to a former number; a second or additional one, similar in likeness or in effect. Yes, I'd like another slice of cake, thanks. 1. being one more or more of the same; further; additional: Please have another piece of cake. 2. different; distinct; of a different kind: at another time; another man. "Another" refers to one more of the same kind, while "other" refers to different or additional ones in general. For instance, "I have another book to read"

versus "I have other books to read." The meaning of ANOTHER is different or distinct from the one first considered. How to use another in a sentence. Frequently Asked Questions About another. Another is usually followed by a singular countable noun. Could I have another cup of coffee? He opened another shop last month. You can use another with 'few' or a number in front of a plural ... Another is a word used to describe an alternative. If your first bowling ball lands in the gutter, give it another try before you give up completely. The word another comes from the Middle English term "an ... Apr 2, 2026 · One of a group of things of the same kind. His interests keep shifting from one thing to another. We use each other and one another to show that each person in a group of two or more people does something to the others. There is very

little difference between each other and one another and we
