Battle God Emperor Feng ShiSanLang

2020-09-09 The invincible Heaven Fighting Saint was betrayed by his celestial wife and brothers. He was reborn in his youth and swore to become the War God Emperor in this world. He would crush all strong enemies and peerless beauties and beat them up! A hot-blooded battle with no end in sight! In the vast and boundless Pangu Continent, large and small sects, ancient sacred lands, ancient aristocratic clans, and ten thousand different dynasties competed against each other; in the many secular dynasties, the imperial power was supreme, ruling over ten thousand miles. Was it to become an ant or an ordinary spirit, or to condense battle qi to

become a warrior, to awaken the three types of battle spirits, to experience hundreds of battles to comprehend the four types of battle force, to become a peerless expert, to become a Holy Land of War, to shatter the void, and to compete with the Heavens! This was a world of warriors, cultivating battle qi, transforming the soul of war, condensing battle force, and rising above all worlds!
