The America's Test Kitchen Cooking School Cookbook America's Test

Kitchen 2013-10-15 A landmark book from the test kitchen that has been teaching America how to cook for 20 years. We launched the America's Test Kitchen Cooking School two years ago to teach home cooks how to

cook the test kitchen way, and since then thousands of students have taken our interactive video-based online courses. The America's Test Kitchen Cooking School Cookbook shares the same goal as our online school and brings all our best practices—along with 600 all-time favorite recipes—into one place so that you can become a better, more confident cook. There is no better way to learn than seeing an expert in action, so we've included over 2,500 color photos that bring you into the test kitchen so you can see how to prepare recipes step-by-step. The book starts off with an exhaustive 46-page Cooking Basics chapter that covers everything from what equipment you need (and how to care for it) to test-kitchen tricks for how to make food taste better. Then we move on to cover all the major cooking and baking categories, from meat, poultry, and pasta to breads, cakes, and pies. Illustrated Core Techniques, like how to whip egg whites, roast a chicken, or bake flawless pie dough, focus on the building block recipes everyone should know. Recipe Tutorials that each feature 20-35 color photos then walk readers through recipes that are either more complicated or simply benefit from the visual clues of step photography, like Extra-Crunchy Fried Chicken, Sticky Buns with Pecans, and Deep-Dish Apple Pie. Every chapter ends with a library of the test kitchen's all-time favorite recipes, such as Pan-Seared Steaks with Red Wine Pan Sauce, Meatballs and Marinara, Best Vegetarian Chili, Memphis-Style Barbecued Ribs, and New York-Style Cheesecake—more than 600 in total—that will allow home cooks to expand their repertoire. The America's Test Kitchen Cooking School Cookbook is a how-to-cook book that also explains why recipes succeed or fail, which makes it the ideal book for anyone looking to cook better.

The Homemade Kitchen Alana Chernila 2015-10-06 This book is a map for how, day in and day out, food shapes my life for the better, in the kitchen and beyond it. —from the Introduction Start where you are. Feed yourself. Do your best, and then let go. Be helpful. Slow down. Don't be afraid of food. Alana Chernila has these phrases taped to her fridge, and

they are guiding principles helping her to stay present in her kitchen. They also provide the framework for her second book. In *The Homemade Kitchen* she exalts the beautiful imperfections of food made at home and extends the lessons of cooking through both the quotidian and extraordinary moments of the day. Alana sees cooking as an opportunity to live consciously, not just as a means to an end. Written as much for the reader as the cook, *The Homemade Kitchen* covers a globe's worth of flavors and includes new staples (what Alana is known for) such as chèvre, tofu, kefir, kimchi, preserved lemons, along with recipes and ideas for using them. Here, too, are dishes you'll be inspired to try and that you will make again and again until they become your own family recipes, such as Broccoli Raab with Cheddar Polenta, a flavor-forward lunch for one; Roasted Red Pepper Corn Chowder, "late summer in a bowl"; Stuffed Winter Squash, rich with leeks, chorizo, apples, and grains; Braised Lamb Shanks that are tucked into the oven in the late afternoon and not touched again until dinner; Corn and Nectarine Salad showered with torn basil; perfect share-fare Sesame Noodles; Asparagus Carbonara, the easiest weeknight dinner ever; and sweet and savory treats such as Popovers, Cinnamon Swirl Bread, Summer Trifle made with homemade pound cake and whatever berries are ripest, and Rhubarb Snacking Cake. In this follow-up to Alana's wildly successful debut, *The Homemade Pantry*, she once again proves herself to be the truest and least judgmental friend a home cook could want.

The Best of the Best Rice Cooker Cookbook Beth Hensperger 2019-03-12 This beautiful book will have you falling in love with your rice cooker as you use it every day for perfect-every-time rice and an incredibly surprising range of other foods. Rice cookers are ideal for the way we cook today. They are versatile and convenient, with one-button operation and a conveniently small footprint on your kitchen counter—plus, they can be cleaned in a flash when you are done cooking. Rice cookers make foolproof rice and beans, of course; but, as Beth Hensperger shows in this collection of the 100 best recipes from her earlier *Ultimate Rice Cooker Cookbook*, they cook a whole lot more than

you might have thought. Here are all sorts of grains beyond rice, including quinoa, millet, and couscous, as well as all the popular pulses and legumes. In these pages, you will also find custards, hot cereals, and puddings, which, it turns out, cook up like a dream in the rice cooker. For substantial meals, there are a host of tasty and easy-to-make risottos, pilafs, chilis, stews, and soups, some with meats and some vegetarian. Unlike the earlier book, this new book has beautiful color photos to inspire you, as you make a heartwarming Sweet Brown Rice with Curry, Carrots, and Raisins; a zippy Fiery Pineapple Rice with Cashews and Cilantro; or a comforting Millet, Squash, and Sweet Pea Pilaf. Never has such a humble and simple-to-use kitchen appliance seemed so powerful and full of promise.
