## **Decorative Painting Color Match**

**Sourcebook** Bobbie Pearcy 2002-03 Aims to take the guess work out of matching and mixing colours. Readers simply look up the name of the desired colour to find as many as five colour matches they can create using named brands, with a simple formula to mix if necessary.

[Color Matching Handbook](#) Viv Foster 2004 Beautiful color schemes are as varied as the millions of color variations the normal human eye is capable of detecting. The Color Matching Handbook teaches that there are no real color clashes, just discordant arrangements. Learn how to harmonize any palette with judicious accents and variations in tone and intensity, and how to use color to achieve desired effects-in art, in home design, and in the garden.

[The Decorative Painting Color Match](#)

**Sourcebook** Bobbie Pearcy 1997 This is a multi-title review: titles include Priscilla Hauser's Book of Decorative Painting, Painting & Decorating Tables, and Decorative Painting Color Match Sourcebook - INTERIOR DESIGN Each of these books will be of interest to decorative painters. Hauser, founder of the National Society of Tole & Decorative Painters and author of Priscilla Hauser's Book of Tole & Decorative Painting (Van Nostrand, 1977), clearly illustrates basic paint strokes and then demonstrates how to paint flowers and leaves in much more detail than provided in her previous book. She also gives information on preparing materials to be painted, whether wood, tin, fabric, paper, glass, or plastic, with instructions on antiquing, crackling, and smoking. Myer (Creative Paint Finishes for the Home, North Light, 1996) shows how tole painting as well as other techniques such as decoupage and ceramic application can be used for table decorating projects. The Pearcys have created a system to match paint colors so that decorative painters can identify like colors from the most popular paint manufacturers regardless of the name. When a brand is lacking a certain color, formulas to create the correct hue are given. All

these books are recommended where decorative painting is popular.-

**Colour Matching Handbook** 2004 "A comprehensive guide to matching colours-in art, in the home and in the garden-that looks at a wide range of techniques and materials. Includes step-by-step projects that will build your confidence and a section on common mistakes and special techniques."--BOOK COVER.
