How Not To Kill Your Car Pallow Hamavhwa 2021-01-08 Most of my friends have told me stories of how they got swindled by getting a raw deal when buying a car (second hand or new). Others have complained of how they got overcharged by dishonest mechanics. This book will familiarize you with basic car care and tips including Choosing the right car, car check-list before a long trip, how to keep the automatic transmission alive, top reasons why your car won't start, among others. To the readers, the author is happy to wish that the pages of this book may help you learn the fastest, easiest, and most comprehensive tips to maintain your car. It's a book that every car owner (or anyone intending to) should have.

*Aging in Control or out of Control* John Peri-Okonny 2012-03-22 This is a thought-provoking book that goes the extra mile to demonstrate in detail how you can choose to live in control of your health. There are several books that deal with healthy living, but this book is unique in several aspects. It helps you answer the question How do you want to age? Or more poignantly, How do you want to die? It is the pertinent question in this book that everyone has to confront without getting frightened because the answer will help you choose the health path you will take. The emphasis on nutritional awareness opens a gateway to healthier lifestyle choices. This book highlights steps that help negate the negative effects of some foods on our health. If your desire is to be happy and in control of your health this book is a valuable companion that fulfills your wish.
