Mthuthuzeli September "I received the fantastic news this morning that I have finally passed T4!! Many thanks for your support and advice in the lead up to the exam, I am certain that without the really important tips on exam strategy you provided I would not have passed. Many thanks again!" Babak Fardaghaie "So I managed a 76% pass for E2 using your notes. They are very well structured and easy to use. Thank you so very much." Amanda Vakalisa "The Astranti method of teaching is systematic and easy to follow. I gained a lot of knowledge and regret not enrolling with Astranti for my earlier CIMA exams. Its the section by section detailed feedback from tutors that helps to improve and gain confidence." Gunjan Nagpal "I have cleared all 3 strategic level papers in my first attempt. CIMA F3 Financial Strategy Study Text Astranti 2021-05-26 I was very impressed with the quality of the materials. They were so well written and much easier to understand than my previous provider's official texts. So much so that I passed my E2 exam gaining my highest grade so far using Astranti's study text. - Gayle June 2019 Simple, easy to understand and very effective, notes are logical and very easy to follow. - Monique June 2019 I like how it's condensed and easy to read. - Paul December 2020 After having cancelled my P1 and E1 exams because I was failing to understand the concepts under another tuition provider I decided to use Astranti books. These are well explained with detailed examples. I managed to pass my subjects on first time attempts. - Isheunesu December 2021 What I really liked were Astranti's Study texts.
