Covenant in Blood Ariel Tachna 2014-10-31 Sequel to Alliance in Blood Partnership in Blood: Volume Two The wizards and the vampires have forged an alliance based on blood and magic, hoping to turn the tide of the war against the dark wizards. A few wizard-vampire bonds are as successful as Alain Magnier's and Orlando St. Clair's, but some are much less so, leading to arguments, resentment, and outright fights between the allies despite their mutual goals. Following his best friend Alain's example, Thierry Dumont determinedly forms a partnership with vampire Sebastien Noyer, despite the wizard's discomfort with being so close to a vampire—a man—so soon after his wife's death. But they find that desperation may be the key to forming a covenant that works: Thierry and Sebastien are almost immediately devoted to one another's safety. With new strength behind it, the Alliance's leaders move to announce its existence to the whole world, hoping to rally support against the dark wizards who threaten to destroy life as they know it. Struggling to find its way in the expanding war, the Alliance discovers that despite its advantages, the partnerships are affecting the balance of magical power in the world, which may be an even bigger threat than the war itself. This second edition received minor revision and proofing for re-release in honor of the publication of Partnership Reborn, the final book in the series.

Lycan Partnership Ariel Tachna 2014-10-31 A Partnership in Blood novel By the time the alpha of the Morvan werewolf pack approaches l'Institut Marcel Chavinier for help solving his people's fertility problems, pack numbers have dwindled and the remaining members are desperate. Though the wizards at l'Institut have no experience with werewolves, their lore, or their brand of magic, Raymond agrees to help. At l'ANS headquarters, Raymond finds Marc Gourlin, a young wizard fascinated with werewolves. Marc agrees to visit the werewolves' home to study their rituals for the source of the problem. But when he arrives, he finds himself distracted by Adenet Silaire, the pack shaman. The attraction between them is powerful, but though Marc suspects he might be Adenet's mate, Adenet rebuffs him. Marc is a man, and Adenet's sense of responsibility will not let him take a male mate when the pack so desperately needs children. Meanwhile, Jean and Raymond discover the Aveu de Sang allows a vampire's Avoué to calm his inner beast. For Jean and Orlando, this is wonderful news—but it only convinces Thierry how much Sebastien is missing out on because they cannot form an Aveu de Sang. Determined to give his partner everything he can, Thierry sets out to recreate the bond denied them by Sebastien's past. Conflict in Blood Ariel Tachna 2014-10-31 Sequel to Covenant in Blood Partnership in Blood: Volume Three As the Alliance wizard-vampire partnerships grow stronger, the dark wizards feel the effects and become increasingly desperate to find enough information to counter them, unaware of the growing strain of the blood-magic bonds on the wizards and vampires alike. The conflict is spreading. The strife of uncomfortable relationships, both personal and professional, is threatening to tear up the Alliance from the inside, despite the efforts of Alain Magnier and Orlando St. Clair, Thierry Dumont and Sebastien Noyer, and even Raymond Payet and Jean Bellaiche, leader of the Paris vampires, who is fighting to establish a stable covenant with his own partner so he might lead by example. As the war rages on and heartbreaking casualties mount on both sides, the dark wizards keep searching for clues to understand and counter the strength of the Alliance, while the blood-bound Alliance partners hunt through ancient prejudices and forgotten lore to find an edge that can turn the tide of the war once and for all.. With new strength behind it, the Alliance's leaders move to announce its existence to the whole world, hoping to rally support against the dark

Alain's lost friend Eric Simonet, who betrayed him to join the dark wizards, is faced with a choice between revenge and redemption. THE BLOOD COVENANT Martin Ossei 2025-11-16 **THE BLOOD COVENANT** (God's Love Signed in Blood) A covenant is when two parties come together in a union to share in all things as one person. God's purpose in creating man was to share with man in all that is His, as a father leaves an inheritance for his children. Men have wilfully separated themselves from God through ignorance. God's love has paved the way for every person to be reconciled to God in a binding covenant. This covenant is signed with the Blood of Jesus Christ. Enjoy this covenant reunion with God as Martin Ossei, in his easy to understand and free-flowing style, guides you into this liberating relationship with the Almighty God.

Our Covenant God Kay Arthur 2009-05-27 **SOMEONE LOVES YOU. UNCONDITIONALLY. UNSHAKABLE, UNFAILINGLY.** That Someone is God Himself. But how can that be possible? Why would God love you so? Because He has fashioned an unbreakable covenant between Himself and you. And He always keeps His promises. "Everything God does," says Kay Arthur, "is based on His covenant." And when you understand how thoroughly the dynamic concept of covenant permeates everything God says in His Word, and everything He does in our lives, you'll come to experience one of the most stabilizing, most freeing truths you'll ever know. In a culture in which unfaithfulness is rampant, God's "fierce, ferocious loyalty" toward us is difficult to imagine. And yet, through her characteristically warm and wise exploration of the Scripture, Kay Arthur will lead you into discovering the stunning truth of God's covenant—and help you experience its revolutionary truth in your life. The Bible reveals the covenant bond to be the highest personal relationship possible. In ancient times, covenants were solemn, binding agreements supremely honored above all others. Making a covenant represented an unqualified, total commitment of one person to another—unconditionally, totally, eternally. As you follow the thread of God's covenant woven throughout the Bible, you'll discover the awesome privilege of getting to know the Lord as your Covenant God.
