Education' in memory of our great Indian Leader, philosopher, great Scientist, India's pride, Bharat Ratna the Missile Man of India- Dr Abdul Kalam. Despite the range of titles he had earned in his lifetime, the visionary preferred to call himself A Teacher. Abdul Kalam, he is the only president -- who has a lot of love for children and feels that the future of India lies in them. According to Dr APJ Abdul Kalam, the purpose of education is to make good human beings with skill and expertise. He was source of inspirations for thousands of people across the world because of his philosophy and teachings. His ideas and considerations on education and empowering country are outstanding. He said "all of us do not have equal talent. But, all of us have equal opportunity to develop out talent." He emphasized that education is a pillar of a developed and a powerful country, besides the most important element for growth and prosperity of a nation.
