Peter Hardy 1999-10 The Good  
Skiing and Snowboarding

Guide 2000 continues its  
tradition of providing essential  
information to the legions of  
skiing and snowboarding fans  
with even more expanded  
coverage of snowboarding than  
the last edition and a new  
complete list of ski web sites.

The only independent guide to  
over 500 ski resorts in North  
America and Europe, the book  
is completely revised and  
updated, with increased  
coverage of resorts in North  
America, Italy and the southern  
hemisphere, as well as a new  
section on ski touring. In The  
Good Skiing and Snowboarding  
Guide, award-winning ski  
journalists Peter Hardy and  
Felice Eyston present the  
information in a clear,  
accessible manner that will  
help you make all the right  
choices. And they give truly  
unbiased advice on holiday  
resorts -- unfettered by

advertising or sponsorship, they don't pull punches in their assessments of the world's top ski destinations. Updated information includes specially commissioned full-color maps showing lift locations and number and grade of runs, ski fact boxes showing the number of lifts, lift pass prices, kilometer of trails and grading of runs, and each resort's suitability for children, beginners, intermediates and experts. The Good Skiing and Snowboarding Guide -- the complete source book for skiers and snowboarders alike - is essential reading for anyone planning a vacation involving these thrilling winter sports.
