Even though "3th" may seem like a plausible option, it is not grammatically correct in the English language. Feb 24, 2026 · The use of "3rd" comes from an old tradition of English spelling, where the "ir" in the middle of "third" hints at its position. "3th" could confuse readers and listeners, as it sounds like an error. Ordinal numbers in English show the position or order of things—like first, second, third, and so on. They're used all the time in everyday English, whether you're talking about dates, competitions, floors ...
