time to prepare differentiated lessons to meet

the needs of all students. Differentiating

Instruction in Algebra 1 provides ready-to-use

resources for Algebra 1 students. The book is

divided into four units: introduction to functions

and relationships; systems of linear equations;

exponent rules and exponential functions; and

quadratic functions. Each unit includes big

ideas, essential questions, the Common Core

State Standards addressed within that section,

pretests, learning targets, varied activities, and

answer keys. The activities offer choices to

students or three levels of practice based on

student skill level. Differentiating Instruction in
