In simple terms, an Alta Survey is a detailed land survey that satisfies the minimum requirements of the American Land Title Association (ALTA) and the National Society of Professional Surveyors. Alta is for all skiers, from beginners to experts. The natural rolling terrain of Albion Basin, combined with Alta's dry snow and lovely weather, make a perfect setting for newer skiers to learn and improve. The ALTA survey standards provide a consistent scope of work

that has been used since 1988 and is frequently reviewed and updated to conform to the latest technology and legal issues.
