

Another Change In Style Female Designs English Edition

We use each other and one another to show that each person in a group of two or more people does something to the others. There is very little difference between each other and one another and we ... One more, in addition to a former number; a second or additional one, similar in likeness or in effect. Yes, I'd like another slice of cake, thanks. Another is a word used to describe an alternative. If your first bowling ball lands in the gutter, give it another try before you give up completely. The word another comes from the Middle English term "an ... "Another" refers to one more of the same kind, while "other" refers to different or additional ones in general. For instance, "I have another book to read" versus "I have other books to read." You use another when you want to emphasize that an additional thing

or person is different from one that already exists. I think he's just going to deal with this problem another day. The meaning of ANOTHER is different or distinct from the one first considered. How to use another in a sentence. Frequently Asked Questions About another. Another is usually followed by a singular countable noun. Could I have another cup of coffee? He opened another shop last month. You can use another with 'few' or a number in front of a plural ... 1. being one more or more of the same; further; additional: Please have another piece of cake. 2. different; distinct; of a different kind: at another time; another man. another definition: one more in addition to the current one. Check meanings, examples, usage tips, pronunciation, domains, and related words. Discover expressions like "another story", "at

one time or ... Apr 2, 2026 · One of a group of things of the same kind. His interests keep shifting from one thing to another.
