The Lie Ken Ham 2024-09-15 Christianity is Under Massive Attack How will you and the coming generations stand firm and uphold the truth of God's Word when the culture is forcefully demanding you believe lies? In this updated edition of *The Lie: Unraveling the Myth of Evolution/Millions of Years*, Ken Ham exposes how the acceptance of evolution and millions of years has eroded belief in God as Creator. This issue is crucial to understanding modern worldview dilemmas, including gender and sexuality, abortion, racism, and the mass exodus from the church. Why is the Christian church losing ground in its battle with the secular world? Thousands of church leaders are nearing a dangerous precipice—the denial of the Bible's full authority and accuracy from its very first verse. Originally published in 1987, *The Lie* boldly predicted this trend. This compelling book is a must-read for all Christians, providing crucial answers to common questions from unbelievers and offering advice for parents preparing their children to face a rebellious secular world. Chapters include: Crumbling Foundations The Evil Fruit of Evolutionary Thinking Evangelism in a Pagan World Wake Up, Shepherds! Creation, Flood, and Coming Fire *The Lie* is more than just a book; it is a call to action inviting the body of Christ to stand firm in their Christian faith, reject the lie of evolution, and uphold the truth of God's Word from the very beginning. As Romans 1:20-23 (NKJV) warns, those who reject God's truth are without excuse and their hearts are darkened. Will you stand firm and uphold the truth of God's Word?

Write These Laws on Your Children Robert Kunzman 2010-09-21 Homeschooling is a large and growing phenomenon in American society-- between 1999 and 2003 it grew at ten times the rate of public school enrollments. Current estimates suggest that about two million kids are homeschooled, but information about them is incomplete. Here, educator Robert Kunzman uses his unprecedented access to six conservative Christian homeschooling families to explore this elusive world, from the day-to-day lives of its adherents to its broader aspirations to transform American culture and politics. He shows us what their homeschooling experience looks like firsthand, what their political and religious beliefs are, and what their kids learn about democratic citizenship and engaging with people with different beliefs. Woven throughout Kunzman's

narrative are larger questions about the purpose of public education, what makes an educated citizenry--and how American political and intellectual life could change as conservative Christian homeschooled children reach adulthood.--From publisher description.

The Answers Book for Kids Volume 2 Ken Ham 2008-07-01 Dinosaurs are fascinating creatures that kids simply adore, and even the youngest believer can recite the biblical story of Noah and his ark. Now discover how to answer some of kids' most interesting questions about dinosaurs and Noah's ark like: How did all the dinosaurs fit on the ark? How did Noah keep the animals on the ark from eating each other and his family? Where did all the water go after the Flood? Why aren't there fossils of humans from Noah's flood? Answers are important. If children aren't given answers to their questions about the Bible and the history it reveals, they cannot defend their faith against a secular worldview in a fallen world. The new Answers Book for Kids series is a unique collection from Ken Ham and the creative team at Answers in Genesis. This is a necessary resource in your homeschool or Church's Sunday School. This is the 2nd book of a 8 volume set.

The Answers Book for Kids Volume 1 Ken Ham 2008-07-01 The story of Creation and Adam and Eve in the Garden of Eden are familiar Bible stories. But they also present a wonderful opportunity to share important biblical truths with eagerly questioning minds through answers that even the youngest believer can understand. Look inside to learn: How did God create everything from nothing? Why was the first person that God created a boy? Why did God have Adam name the animals? The serpent talked to Eve, so why can't snakes talk today? Children are never short of questions - and now there are answers to some of their most difficult ones regarding the Bible and faith! The new Answers Book for Kids series is a unique collection from Ken Ham and the creative team at Answers in Genesis. These answers will help you to impart a Biblical Worldview to Elementary aged students in your Church or Homeschool. This is the 1st book of a 4 volume set.
