Liberating Prayer Neil T. Anderson 2012-02-01 "If prayer is so important, why is it so difficult?" Starting from this universal question, Neil T. Anderson, bestselling author of *The Bondage Breaker*, explores how readers can intimately connect with their loving heavenly Father, looking at the confidence believers can have in taking their struggles before God—and in interceding for others their release from bondage and the freedom they gain to walk in the Spirit the gracious way God leads them to love Him, not His blessings *Liberating Prayer* emphasizes the life-changing truth that prayer is relationship, not ritual—and that as already-accepted children, believers

are free to be honest with their Father. End-of-chapter questions are ideal for group study and help readers immediately apply what they've learned in their own prayer lives. Based on material previously released in *Praying by the Power of the Spirit*.

Winning the Battle Within

Neil T. Anderson 2008-07-01 For too many believers, God's wonderful creation of sex has become a source of spiritual slavery rather than a liberating blessing. Neil T. Anderson presents a clarifying, refreshing look at God's plan for sex and how Christians can release a distorted view of physical intimacy and embrace a pure, godly view of this gift. With biblical advice and compassion, Anderson points to the way out of confusion and shame by exposing the guilt, anger, and fear involved in sexual struggles showing how believing the truth breaks the sexual and emotional lies giving practical steps to overcome spiritual entrapment with God's Word As Christians grasp what the Bible says

about who they really are—God's loved children and new creations in His Son—they will be able to enjoy and value His marvelous design for their emotions and bodies. A newly updated and expanded version of Finding Freedom In a Sex-Obsessed World.

Rough Road to Freedom Neil T Anderson 2012-10-10 Neil Anderson comes from a humble farming background. No one suspected that this fun-loving, athletic child would complete five degrees, author or co-author sixty books and found a global ministry. Neil served in the US Navy, then graduated in electrical engineering and worked as an aerospace engineer before sensing a call to ministry. He spent years as a church pastor and seminary professor before starting Freedom in Christ Ministries. - God put a burden on my heart to see captives set free and their emotional wounds healed, - he writes. -But my early education was steeped in western rationalism. It has taken me years to discover the reality of the spiritual world,

and learn to be guided by the Holy Spirit, - Freedom in Christ Ministries equips the church to help people become fully alive, and free in Christ. -So many counselors deal only with symptoms, but Neil helps us find healing. His memoirs show that he did not write from an ivory tower, but from the context of his own participation in the battle in which we are all engaged.- ' Dr. Timothy Warner, Former Director of Professional Doctoral Programs, Trinity Evangelical Divinity School 'Inspiring and challenging. Neil's rediscovery of these biblical truths ' of truth encounter, and of our identity in Christ ' has changed and liberated countless lives, and transformed my perspective and my practice of spiritual warfare ministry. You will be enlightened and blessed by Neil's story." ' Dr. Paul L. King, Associate Professor at Oral Roberts University -Praise God for Neil Anderson's contribution to the Christian church, and for his awesome ministry.- ' Dr. Elmer L. Towns , Co-Founder and Vice

Christ-Centered Therapy

Neil T. Anderson 2009-08-30 Depending on whom you ask, the term Christian counseling can mean anything from secular psychology practiced

by a Christian to biblical counseling that completely shuns psychological insights. Christ-Centered Therapy thoroughly integrates psychology and practical theology. A book written by experts from both fields, it utilizes the contributions of science in an uncompromisingly biblical framework. Here at last is a powerful resource to help you—pastor, counselor, or spiritual advisor—understand the complex problems of people and address them with the wisdom of God's Word and the power of his Spirit.

Insightful and practical, Christ-Centered Therapy unites the wisdom and expertise of pastoral theologian and best-selling author Dr. Neil Anderson and professional Christian counselors Dr. Terry and Julianne Zuehlke. The first part of the book equips you with an understanding of the different issues involved in integrating theology and psychology. The second part helps you turn theory into practical application. You'll

also find appendixes that offer personal testimonies, provide professional forms, discuss the role of psychiatry in managed care, and present the Steps to Freedom in Christ.

Stomping Out Depression Neil T. Anderson 2001-12-04 Once depression was thought only to be an adult problem. But research clearly indicates that depression has become common among modern teens and pre-teens. Often teens struggling with depression don't believe that anyone can relate to their circumstances or understand what they are going through. But Jesus knows what it's like to feel rejected, unloved and let down by the people we love. And the Bible tells us that a close walk with Christ will give us a sound mind. Now the Breaker: Youth Edition" show teens how Jesus can change the way they think and the way they live.

The Bondage Breaker Study Guide Neil T. Anderson 1992-06 Anderson's The Bondage Breakers helped Christians learn to overcome negative habits and irrational

feelings and find freedom in Christ. Now Anderson has prepared an insightful, helpful study guide that will lay a foundation for true spiritual growth and understanding.
