pleasure for us to bring this edition of Accountancy for Standard XII- 2013 edition. Usually the working notes are shown at the end of the problem. But we have given the working notes at the starting of the answers. The students while answering the papers can however show the working notes at the end of the answers. How to get 100% in accounts is the theme of this book. The answers attempted by the students should be accurate and to the point. This book is dedicated to my parents, without whose unlimited blessings this limited edition would not have been possible.
