Young, Precalculus, Third Edition Cynthia Y. Young 2021-06-21 Precalculus was developed to create a program that seamlessly aligns with how teachers teach and fully supports student learning. Cynthia Young's goal was to create an intuitive, supportive product for students without sacrificing the rigor needed for true conceptual understanding and preparation for calculus. Precalculus helps bridge the gap between in-class work and homework by mirroring the instructor voice outside the classroom through pedagogical features--
