The Key to Understanding Global History James Killoran 2007 With this book as your guide, you should find [global history] examinations less difficult and maybe even fun to take ... The focus of [this book] is on teaching you how to answer every type of question ... The first part of the book provides test-taking strategies to help make you "test-wise." ... The second part of the book provides eight content reviews that summarize the main developments of global history. There is also an opening chapter that provides some special tools you will need for understanding global history, and a closing chapter on current global concerns. [Finally], the book provides you with an opportunity to demonstrate your mastery of global history and to identify any remaining weaknesses for your final review ... Reading this book and completing all its exercises and tests will prepare you well for global history tests.-How to use this book

Ways of the World with Sources for the AP® Course Robert W. Strayer 2018-03-21 Ways of the World is the ideal textbook for your redesigned AP® World History classroom. Like the AP® course it supports, Ways of the World focuses on significant historical trends, themes, and developments in world history. Authors Robert Strayer and Eric Nelson provide a thoughtful and insightful synthesis that helps students see the big picture. Each chapter then culminates with collections of primary sources organized around a particular theme, issue, or question, allowing students to consider the evidence the way historians do.

How to Prepare for the AP World History John McCannon 2002-02-01 Two full-length model AP examinations with answer keys plus a chronological general review of world history make up the greater part of this brand new Advanced Placement test prep manual. Other helpful features include an overview of the exam, and strategies for success in answering multiple-choice and document-based questions, as well as help in answering the comparative essay question. Historical eras in the subject review fall within the five following general categories: Foundations of World Civilization (4000 B.C.-1000 A.D.); World Cultures Maturing (1000-1450); World Cultures Interacting (1450-1750); World Cultures in the Modern Era (1750-1914); and The Twentieth Century and Contemporary World Cultures (1914-present).
