Canva Docs is the only free online document creator you need. Create, edit, collaborate, and share docs in just a few easy clicks. Write, edit, and collaborate on documents with Microsoft Word online. Free and seamless access from any device. Create and edit web-based documents, spreadsheets, and presentations. Store documents online and access them from any computer. Merge PDFs Online Merge multiple PDFs into one document. Combine up to 10 files. Work directly in your browser. Work on fresh content With Docs, everyone's working on the latest version of a document. And with edits automatically saved in version history, it's easy to track or undo changes. Use Microsoft Word for online document editing with AI-powered suggestions from Copilot for grammar, style, and clarity.

Write, edit, and collaborate anywhere. Access Google Docs with a personal Google account or Google Workspace account (for business use). Create a new document On the File tab, select New . Select Blank document , or double-click a template image or type the kind of document into the Search for online templates box and press Enter . Online Document Converter. Quickly convert any document to PDF, Word, PPT, HTML, and more. 100% free, secure, and works on any web browser. I worked for an hour making a document wich I can't make into a template cause files won't work for me! Also I think you need to add more pages allowed like 200 pages and also make the pages bigger.
