The Internship, Practicum, and Field Placement Handbook

Brian N. Baird 2011 "The book guides interns through every phase of the internship process from finding placements to concluding relationships with clients and supervisors. Along the way students learn about ethics, clinical writing and record keeping, working with peers and supervisors, understanding diversity, self care and safety, and how to be successful in meeting the challenges and opportunities of the internship or field placement setting. Following an evidence and competency

based approach, the latest research findings are reviewed from the fields of psychology, social work and counseling."-- Publisher.
