Histology - An Essential Textbook D.J. Lowrie 2020-03-16 Learn to identify histological structures and their correlated functions! Histology: An Essential Textbook is a concise, multimedia study guide for medical students who need to learn the functions and related correlations of cells, tissues, and organs of the human body. Professor D.J. Lowrie, Jr. has written a unique and practical medical histology resource based on self-directed modules originally created to replace live histology laboratory sessions.
