In Extremis Lindsey Hilsum 2018-11-06 A New York Times Book Review Editors' Choice. Finalist for the Costa Biography Award and long-listed for the Andrew Carnegie Medal for Excellence. Named a Best Book of 2018 by Esquire and Foreign Policy. An Amazon Best Book of November, the Guardian Bookshop Book of November, and one of the Evening Standard's Books to Read in November "Now, thanks to Hilsum's deeply reported and passionately written book, [Marie Colvin] has the full accounting that she deserves." --Joshua Hammer, The New York Times The inspiring and devastating biography of Marie Colvin, the foremost war reporter of her generation, who

was killed in Syria in 2012, and whose life story also forms the basis of the feature film A Private War, starring Rosamund Pike as Colvin. When Marie Colvin was killed in an artillery attack in Homs, Syria, in 2012, at age fifty-six, the world lost a fearless and iconoclastic war correspondent who covered the most significant global calamities of her lifetime. In *Extremis*, written by her fellow reporter Lindsey Hilsum, is a thrilling investigation into Colvin's epic life and tragic death based on exclusive access to her intimate diaries from age thirteen to her death, interviews with people from every corner of her life, and impeccable research. After growing up in a middle-class Catholic family on Long Island, Colvin studied with the legendary journalist John Hersey at Yale, and eventually started working for The Sunday Times of

London, where she gained a reputation for bravery and compassion as she told the stories of victims of the major conflicts of our time. She lost sight in one eye while in Sri Lanka covering the civil war, interviewed Gaddafi and Arafat many times, and repeatedly risked her life covering conflicts in Chechnya, East Timor, Kosovo, and the Middle East. Colvin lived her personal life in extremis, too: bold, driven, and complex, she was married twice, took many lovers, drank and smoked, and rejected society's expectations for women. Despite PTSD, she refused to give up reporting. Like her hero Martha Gellhorn, Colvin was committed to bearing witness to the horrifying truths of war, and to shining a light on the profound suffering of ordinary people caught in the midst of conflict. Lindsey Hilsum's *In Extremis* is a devastating and revelatory biography of one of the greatest war correspondents of her generation.

Raindance Writers' Lab Elliot Grove

2014-03-26 If you're looking for a straightforward, practical, no-nonsense guide to scriptwriting that will hold your hand right the way through the process, read on! The Raindance Writers' Lab guides you through the tools that enable you to execute a strong treatment for a feature and be well on the way to the first draft of your script. Written by the creator of the Raindance Film Festival himself, Elliot Grove uses a hands-on approach to screenwriting based on his many years of experience teaching the subject for Raindance training. He uses step-by-step processes illustrated with diagrams and charts to lend a visual structure to the teaching. Techniques are related to real-life examples throughout, from low budget to blockbuster films. The Companion Website contains interviews with British writers and directors as well as a handy series of legal contracts, video clips and writing exercises. In

this brand new 2nd edition, Grove expands on his story structure theory, as well as how to write for the internet and short films. The website also contains sample scripts and legal contracts, a writing exercise illustrated with a video clip, a folder full of useful hyperlinks for research, and a demo version of Final Draft screenwriting software.

The Writer 1918

Laugh Lines Eric Lane 2008-12-10 This one-of-a-kind anthology features thirty-six hilarious short plays by major American playwrights and emerging new voices, all guaranteed to send readers and audiences into peals of laughter. From the surrealistic wit of Steve Martin's "The Zig-Zag Woman" to the biting political satire of Steven Dietz's "The Spot," from Christopher Durang's wonderfully loopy "Wanda's Visit" to Shel Silverstein's supremely twisted "The Best Daddy," there's something in here to make everyone laugh. There are plays for casts of all sizes, from monologues to large ensembles, with

diverse and challenging roles for actors of every age and type. Even the titles are funny: Mark O'Donnell's "There Shall Be No Bottom (a bad play for worse actors)," Elaine May's "The Way of All Fish," and Alan Ball's "Your Mother's Butt." A bonanza for theatergoers, performers, and comedy fans, Laugh Lines will bring down the house. From the Trade Paperback edition.

If You Would Have Told Me John Stamos
2023-10-24 New York Times Bestseller "...I love him, and I respect him, and I need him. We all do." —from the foreword by Jamie Lee Curtis If

you would have told a young John Stamos flipping burgers at his dad's fast-food joint that one day he'd be a household name and that, at the height of his success, he'd be living alone, divorced, with no kids, high on a cocktail of forgetting, he might've asked, "You want fries with that?" John burst onto the scene in General Hospital, propelling him into the teen idol stratosphere, a place that's often a point of no return. But Stamos beat the odds and over the past four decades has proved himself to be one of his generation's most successful and beloved actors. Whether showing off his comedic chops on Full House or his dramatic skills on ER, pushing the boundaries on Broadway or living out his youthful dreams as an honorary Beach Boy, John has surprised everyone, most of all himself. A universal story about friendship, love, loss, and the courage to embrace love once more, John Stamos's memoir is filled with some of the most memorable names in Hollywood, both old and new. Funny, deeply poignant, and
