Authors And Creating Ebooks Jonathan Drane Think Like a Publisher The truth is that if you think like a writer you may never see your manuscript as publishers would see it. If you think like a publisher you may never have written the manuscript in the first place. How do you act out both these parts? It’s easy, by thinking like a property developer!! Award winning author Jonathan Drane reveals his adventure into the world of writing from a thirty year background in property development and multi-million dollar corporate deals. He finds the way to publish his works is not to think like a publisher and certainly not like a writer. Learn Jonathan’s secrets in a process he calls ‘book development’ which will help you to self publish your own books, become the master of your own destiny and attract attention to your book and your brand. Jonathan has created a thriving e-business which has built a reader base from scratch, and now sells his books 24/7 across the planet (while he sleeps). Through his e-book 'Think Like a Publisher', Jonathan introduces you to the key principles he uses in his business model, as well as an introduction to his on-line knowledge base ‘The Author’s Friend’ which helps you to build your own model step by step, at a minimal cost.
