Church Symbolism Frederick Roth Webber 1927

*Sermons for the Christian year* John Keble 1876

**The Dragon Lord** Connie Mason 2002 The Dragon Lord has no desire to wed, but the landless knight has no choice to obey his king. Of the three women offered to him, he chooses the meek virgin. But she longs for a cloistered life in a nunnery, while her sister, Rose, is quite capable of standing up to a dragon. A clever deception would allow Rose's sister to enter the nunnery, while an unsuspecting bride awaits her unsuspecting husband.

**Dragon Slayer: Rising** Carey Green 2015-04-08 Dragons are rising... and behind the beasts is a sinister group, led by the will of their ancestors, waiting for centuries, until the time to rise. The four Dragon Lords lurk in shadow and mystery, guiding events to bring about their rise to power and the domination of the known world. Their power grows with each passing day. The terror of their vicious beasts fills every land with fear and darkness. But behind the scenes, carefully hidden, an unlikely group of brave souls rises as well. Their aim: to destroy the Dragon Lords and their fearsome beasts before every land is subjected to their evil. Led by a young man haunted by a childhood encounter with a great red dragon, each of them is destined to discover that danger not only rises from the Dragon Masters, but also from their own sordid pasts. They know the danger. But they also know what will happen to their families and the land they love if the evil of the Dragon Lords is not stopped. FROM THE AUTHOR: These books come from stories I told to my older three kids when they were small. Bedtime, road trips, and many other times I remember hearing kids ask, "Dad, can you tell us a Hon story?" I did... and they finally convinced me to put them into book form, although these stories are much more than they heard in our bedtime tales. I'm a retired pastor, turned author and internet entrepreneur. I love my Lord, my family, and my life. I'd love to get to know you, too. *Kingmaker* Tony Shillitoe 1993 Fantasy adventure novel telling of a perilous journey to recover a legendary sword. Set in the kingdom of Thana which is under seige from the armies of the Dragon Lords, and threatened by an evil sorceror. Sequel to 'Guardians'.

Dragon Lords Rising Lucinda Hare 2012 Moonbeam Children's Book Award double silver medalist A gnome, a girl and a dwarf fly north on an injured battledragon in the depth of winter to search for the missing Commander of the Stealth Dragon Services. Throw in a spy, an overweight dragon fledgling who's so plump he cannot fly, and a renegade Sorcerer Warlock hot on their tail, and it seems like a quest doomed to failure from the outset.

Under the Eye of God David Gerrold 1993 Rule of Blood: Once they had been humanity's last best hope: a race of genetically engineered killing machines known as the Phaestor and their army of deadly Moktar Dragons. Now, the enemy long vanquished, the Phaestor themselves have become the enemy, seizing control of the galaxy and subjugating all less species -- including humans -- to feed their appetite for terror and blood. On a small, insignificant planet called Thoska-Roole, a ragtag alliance of humans, androids, and bioforms make a last desperate stand against Phaestor domination. Among their numbers are two bounty hunters, a mercenary starship captain, and a disgraced reptilians warrior. As the Phaestor begin a new reign of unprecedented terror, these rebels prepare to strike back against their vampire overlords and bring revolution to the stars.
