Or have you failed the test before and still aren't sure what the right answers are? Do you want to pass your DMV written exam without getting stumped on tricky questions? You might've heard that the driver's license test in Louisiana is immensely difficult, regardless of your driving experience. Plenty of out-of-staters will tell you horror stories of how they failed terribly on the written exam... despite years of driving under their belts. And it's even scarier if you've never been behind the wheel. Because as excited as you may be to start driving on your own... you only get a few tries to pass the written test... before you're

forced to begin the whole application process all over again. Even if you've read through the DMV handbook over and over, you might miss a "redundant" question where all of the answers look like they could be correct. With the right study guide, you'll be prepared for every question you come across on the test so you can pass with flying colors. In this Louisiana Driver's Practice Tests Course, you will discover: A comprehensive guide to applying for, taking, and passing the Louisiana DMV written exam Over 700 questions and answers to prepare you for the most recent version of the written test Detailed explanations of each answer to help you get a

perfect score Over 9 different chapters that lay out the basics of each section on the exam - plus 2 BONUS cheat sheets The biggest mistake most people make when prepping for their tests, and how you can avoid the same fate 56 tips and tricks to get you ready for both the written exam and the road test Studying hacks to make sure you ace every question on the test, even if you don't have enough time to practice The 12 questions most test takers get wrong - answer these the right way if you don't want to fail And much more! Don't waste hundreds or even thousands of dollars on driver's ed courses that barely even help you with the written portion of your driver's license test.
