**STUDY MANUAL: THE MYSTERY OF SATAN**

Michael Lee King 2025-11-27 This study manual

is intended to assist the student of the bible or just the casual reader in determining whether or not they have a firm grasp of the topics, doctrines and principles discussed in the book manuscript. For, as the author has discovered over the years, that from time to time after he has read a book, treatise, position paper, or important, worthwhile literary work—he was often left with the question of whether or not he had acquired the proper understanding and insight of the work that the writer intended to convey. And with this thought, he often desired to have a means to test his grasp or understanding of what the writer intended to convey. So, it is here. And with that, be advised that, every scriptural reference and every Hebrew, Greek and English word that are examined herein are important to a full understanding of the principles and doctrines discussed in the text. The benefits of using this Study manual include: 1. By engaging with the thousands of question and answers included herein one can test to see if he understands the Book concepts 2. Using it as a stand alone source, without the Book Manuscript to test your knowledge and understanding of the Word of God, (KJV), searching from Genesis to Revelation for the answers. 3. Thousands of questions and answers divided into multiple quizzing styles like multiple choice, true and false, matching, fill in the blanks, discussion, reflection and practical exercises, full sentence questions, suitable for: a. Bible quiz games and competitions b. Round table discussions between group peers c. Downtime self quizzing games per topic 4. Total immersion in the Mysteries of the Word of God
